WHAT WE DELIVER

ENTERPRISE SAP & ERP MODERNIZATION

S/4HANA delivery at hyperscaler and multi-national scale — FICO, MM, SD, Basis, BTP, GRC. Legacy SAP PO migration and multi-country payroll replication, live across three continents.

► META \$3.5M • BASF \$2.4M — \$2M+ ANNUAL SAVINGS SUSTAINED

LEGACY MIGRATION & DATA WAREHOUSING

Mainframe-to-modern migration at retail scale: legacy + web data sources unified into JDA/Oracle with star-schema warehousing. Federal-analog for Treasury, VA Supply, and IRS modernization.

► WALMART GLOBAL REPLENISHMENT SYSTEM — MULTI-YEAR

AI PRODUCTS & SERVICES

Competitively awarded on both tracks of Montana's Master AI Products & Services (MAPS) statewide vehicle — evaluated against Fortune 500 SIs and national AI firms under public scoring.

► STATE OF MONTANA — SPB-RFP-2026-0608GW • 2026-PRESENT

ENTERPRISE DATA ENGINEERING & INTEGRATION

Snowflake data platforms, SIS/LMS/ERP governance, and SAP BTP B2B/EDI integration synchronizing 100K+ daily transactions in real time — with 50% runtime cost reduction.

► HCPSS \$550K • SOLGENIE / HORIZON GLOBAL \$650K — 2026-PRESENT

WHO WE SERVE

DoD logistics • USDA / GSA financial systems • Treasury / IRS legacy modernization • State & local agencies • Federal primes
needing a subcontractor who integrates in 5 business days and delivers on the SOW.

WHY VISIONBLOX

◆ ENTERPRISE-PROVEN

Meta, BASF, Walmart, State of Montana. Fortune-scale production delivery plus a competitively won statewide AI vehicle.

◆ FEDERAL-GRADE DELIVERY

NIST 800-53 aligned, Section 508, TAA & 889 compliant. CISA/CISM/CRISC credentialed security staff resident, not contracted.

◆ SUBCONTRACT-READY

Vetted personnel with portable past performance. Teaming integration in 5 business days. Bring scope — we staff and execute.

"Federal programs don't always need transformation. They need a subcontractor who shows up, integrates cleanly, and delivers on the SOW."
